- *Mr. Amit Rajan has over 22 years of global experience in Global regulatory advisory & quality assurance in the pharmaceutical industry.*
- *BHL is committed to expand its reach to new geographies in the international market by obtaining regulatory approvals in various countries on the back of its innovation driven API manufacturing expertise.*

**Thane, 12<sup>th</sup> August, 2022:** Bajaj Healthcare Limited (BHL) a leading manufacturer of APIs, Intermediates and Formulations, appoints **Mr. Amit Rajan** as Technical and Regulatory Advisor.

BHL is pleased to welcome to its family **Mr. Amit Rajan** - a pharma professional having over two decades of rich diverse experience in regulatory affairs and Pharma advisory. Mr. Rajan would be associated with the company as a **technical and regulatory advisor chiefly supervising the product registrations and regulatory compliance affairs of the business**. Given below is a brief synopsis of Mr. Rajan's professional experience & career achievements: -

- With an experience of **22+ years in pharmaceutical & regulatory advisory** Mr. Rajan is a Gold Medallist M.Tech, in analytical chemistry. He possesses strong communication and entrepreneurial skills.
- He has expertise in **managing global regulatory affairs** (interactions with global regulatory authorities, successful preparations, submissions and approvals of ANDA, MAA and regulatory intelligence and others), **scientific affairs** (technical functions such as R&D, project management, quality assurance, Bioequivalence study to create strong pipeline), & **compliance functions such as quality engineering and quality control**.

- He has been associated with reputed pharma companies like Alkem Laboratories, Wockhardt Ltd., Ranbaxy, Torrent Gujarat Biotech, Sun Pharmaceuticals and Hikal Ltd. where he has held **senior management positions and made remarkable contributions.**
- Currently, Mr. Rajan runs a Regulatory Service and Pharmaceutical advisory company by the name of "**Prosfora Technologies Private Limited**", based out of Mumbai, where he is associated as a Director and member of the board.
- Mr. Rajan has in depth knowledge and expertise in handling and advising on regulatory approvals of **International Pharmaceutical markets like EU, US, Canada, Australia & South Africa.** He also has experience in dealing and managing communications with International regulatory authorities like the **FDA & WHO, MHRA & EDQM.**

BHL is extremely proud to announce the inclusion of Mr. Amit Rajan to its leadership team. By this tactical move, BHL believes that they have positioned themselves to benefit from the strategic insights of sector leaders from both academia and industry to efficiently develop a pipeline of novel and cutting-edge products for the domestic and international markets. BHL plans to bank on the rich experience and guidance of its senior management team to lead them to achieve their vision of being one of the industry leader and exporting to 100+ countries by 2025.

**Commenting on the above appointment, Mr. Sajankumar Bajaj (Chairman), Bajaj Healthcare said** *"I am happy to Welcome Mr. Rajan to the BHL family and hope that this association will put BHL on a fast track path to achieve its expansion targets specially in the Exports segment. Mr. Rajan's Pharma experience and technical proficiency in managing international regulatory compliances make him uniquely capable of guiding the company to navigate registrations and compliances of newer and more stringent international markets. We are also poised to take advantage of his research and analytical quotient to make our product offerings more efficient and in line with the latest trends of the market. We believe that this initiative will make us capable to compete not only with our domestic peers but also put us at par with our Global counterparts.*

*We at BHL remain committed to achieving sustainable growth on the back of innovation and deliver quality pharma products to all our consumers. We plan to invest handsomely on innovative technology and rich human capital so as create expert capabilities within the organization in the years to come..."*
